SPOT THE DIFFERENCE

Imagine a world where everyone had exactly the same views on everything, where everyone looked the same and had identical tastes regarding art, film, football, and music...

World without diversity

World with diversity

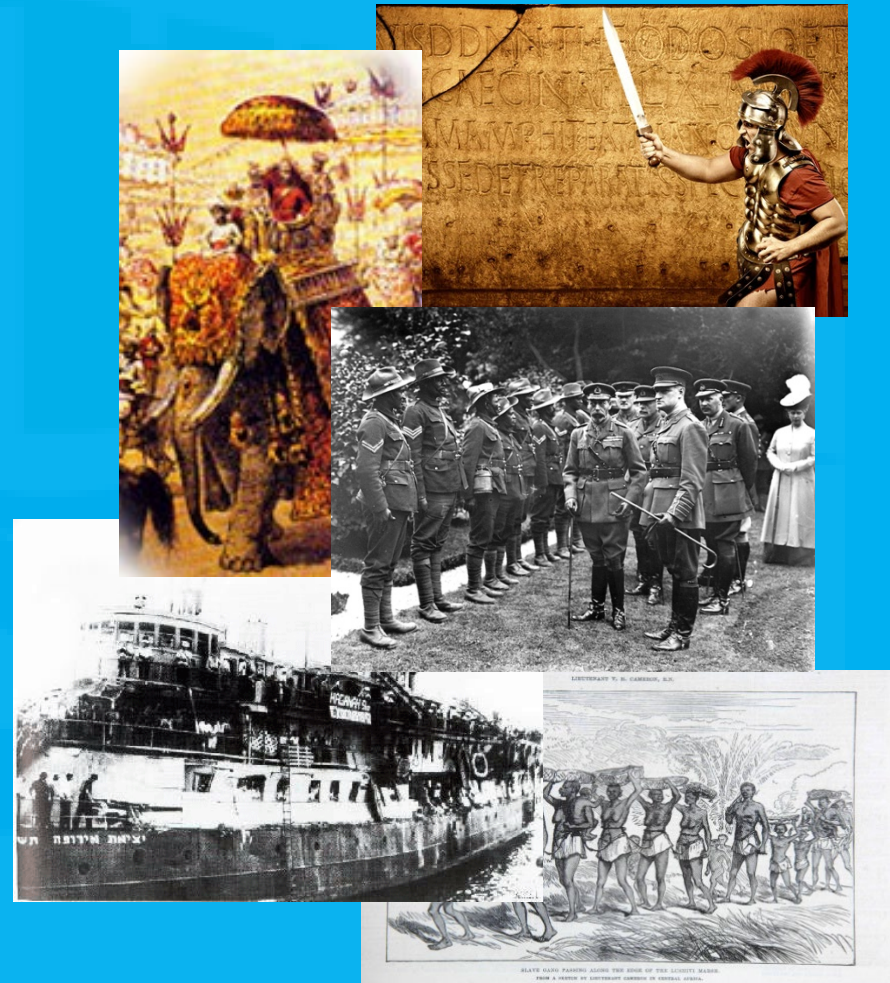

Some people...

Diversity in the UK

- Down to our deepest historic roots, Britain has always been a diverse nation with people arriving here from all over the world!

- As people from around the world arrive in Britain, they all contribute their own ethnic and cultural influence to our society...

A mix of food

A mix of music and dance

A mix of sports

**Without ethnic
diversity, some
England players
wouldn't live here!**

Marvel has now changed some of it's most famous superheroes.

What the Bible teaches us

- **All people are equal....as the teeth of a comb (Hadith)**
- **Do to others as you would have them do to you. (Luke 6:31)**
- **Love your neighbour as you love yourself (Matthew 22:39)**

Respecting difference

- **With freedom and diversity comes a need to respect difference!**
- **Do you want to live in a world where we can be who we want to be, listen to the music we like, eat the foods we enjoy, dress how we like to dress etc?**
- **Then we must remember that the person next to us has the freedom and right to do the same.**
- **And they are different...**
