

St Edmund's Catholic Primary School

...through Christ we learn...

Executive Headteacher: Mrs A. Ruthven

Head of School: Mr A. Antoniou

Dear Parents and Carers,

As you know, at St Edmund's we are committed to providing our children with a broad, balanced and faith-filled education. Part of this includes **Relationships, Health and Sex Education (RHE)**, which has been statutory for all primary schools in England since 2020.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human development is an important and privileged responsibility, and we work in partnership with you to ensure that this is approached with sensitivity, respect and faith.

For several years, we have successfully delivered **Life to the Full** by Ten Ten Resources. This award-winning programme has been approved by our Diocese and is supported by the Catholic Education Service and the Department for Education. It provides engaging lessons rooted in Catholic teaching and offers a holistic approach to children's development.

To keep parents fully informed, Ten Ten provides an **Online Parent Portal**. This is a secure space where you can view what your child is learning, access resources to support discussions at home, and share in the prayers and activities that form part of the programme.

We encourage all families to use the Parent Portal so that you are aware of the content being taught and can support your child's learning journey at home.

Thank you, as always, for your support in helping us provide the very best Catholic education for every child in our care.

With every blessing,

Antonis Antoniou
