

Understanding Equality

When I see you through my eyes,
I think that we are different.

When I see you through my heart,
I know we are the same.

Doe Zantama is an author and illustrator.

What do you think she is telling us with this quote?

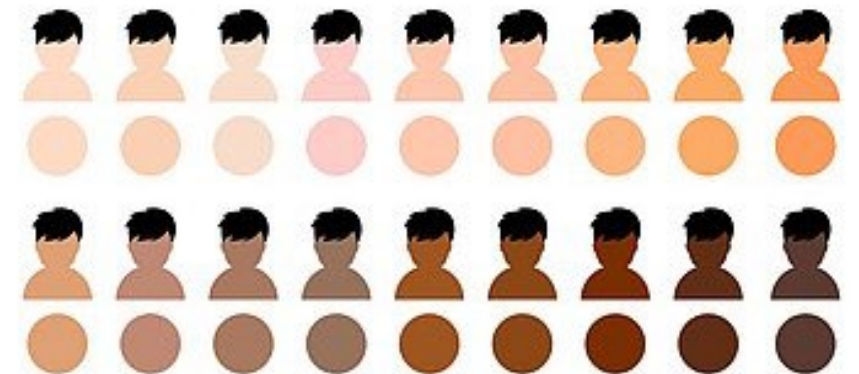

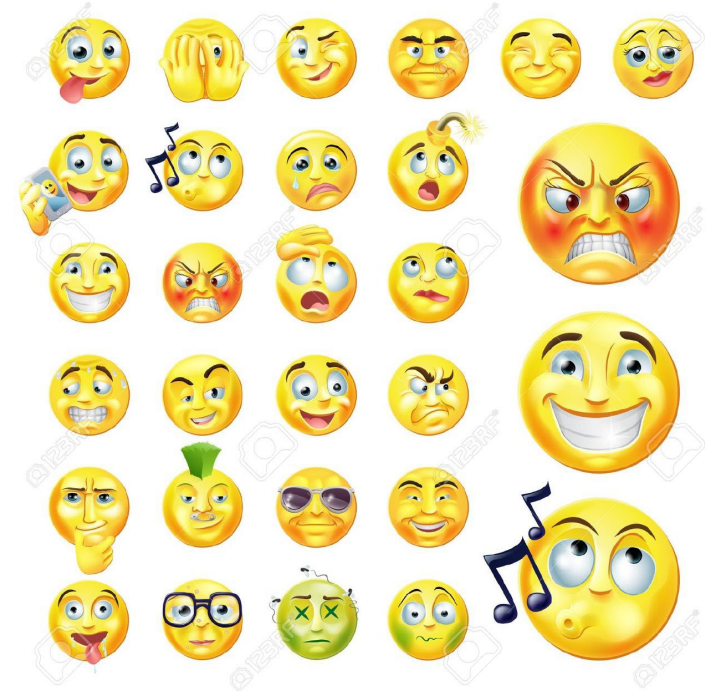

Look around the hall at your friends.

What is different?

What is the same?

What Things Make Us Different?

Can you think of anything else that makes us different?

We Are All The Same

we all
have
needs

we all
have
likes

we are
all people

we all
have
feelings

we all
have
thoughts

Can you think of anything else that makes us the same?

What If...?

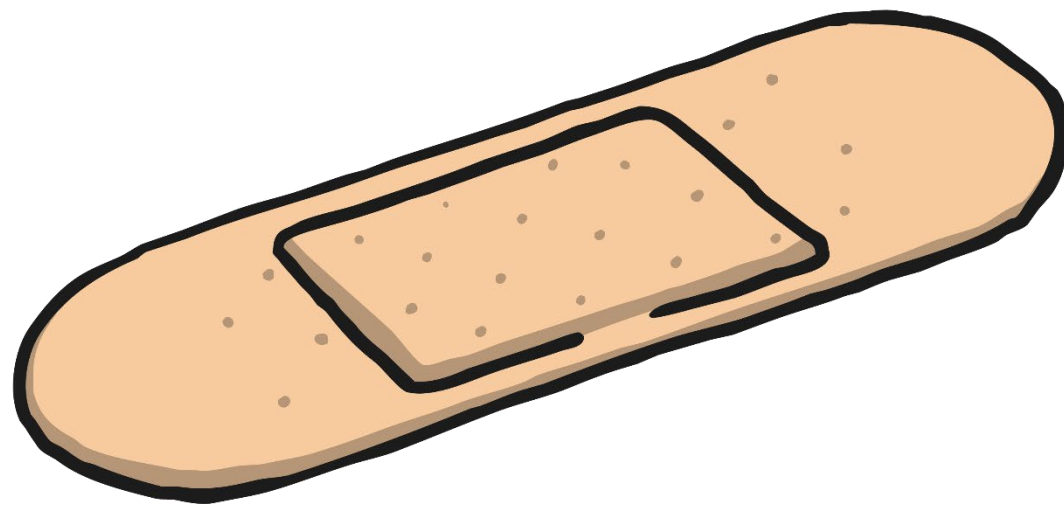

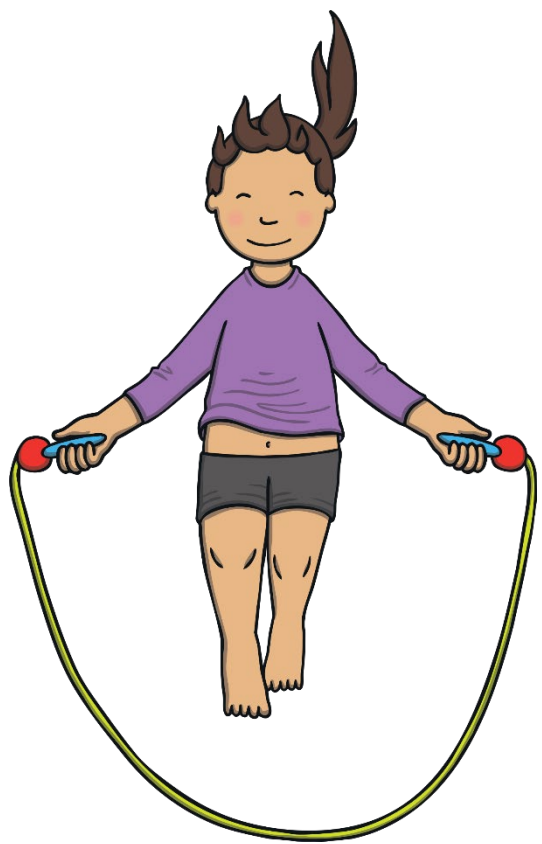

What if your teacher shared some sweets with the class and gave two to each boy but said that the girls could only have one?

Is this right?

Is this fair?

**What could the teacher do
to treat the children more fairly?**

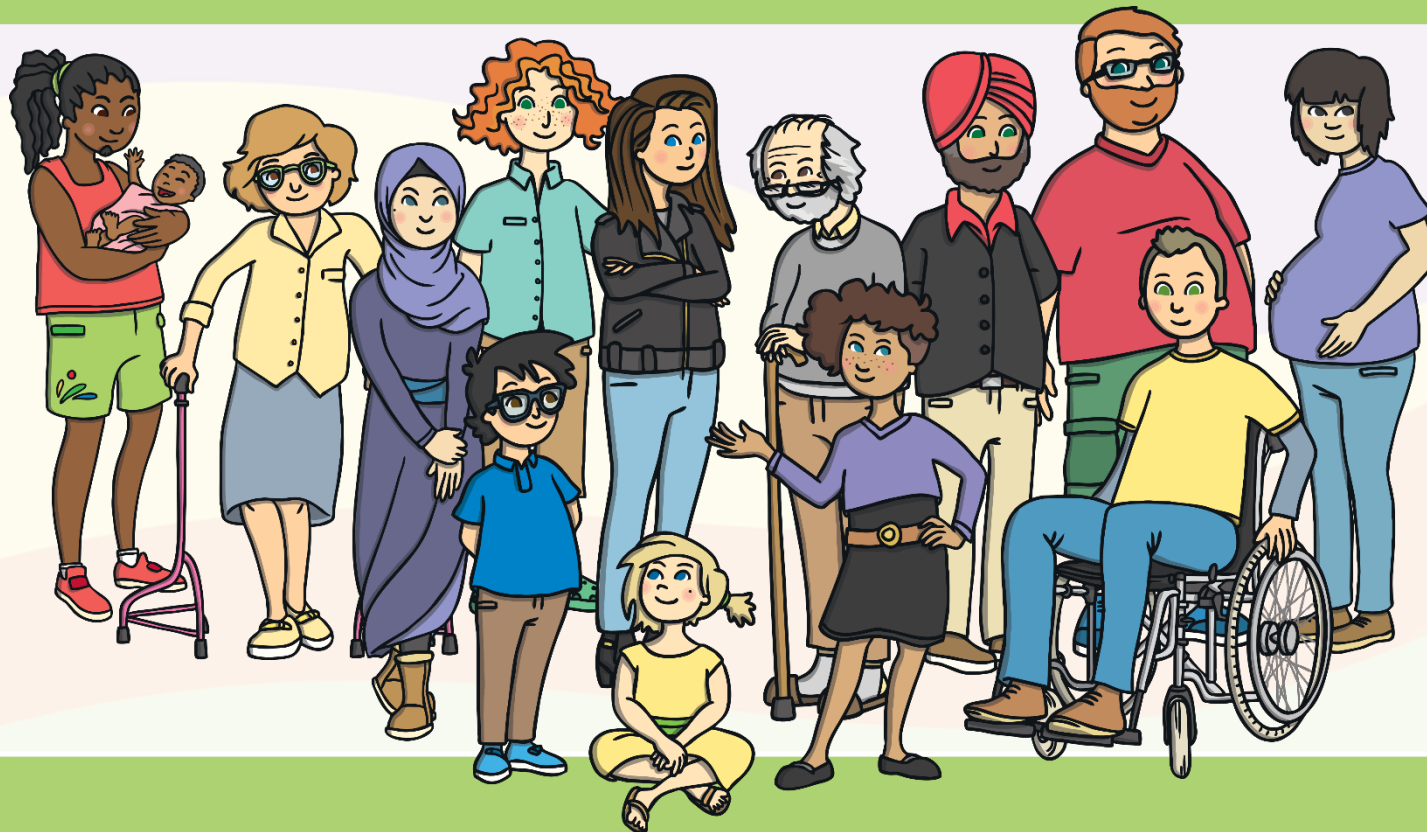

Remember, **equality** is when we make sure that everyone is treated **fairly**. It does not mean that everyone has to be treated the same.

What does equality look like in your school and at home?

How do grown-ups make sure that you are treated fairly?
