Volunteering in Your Child's School course

An accredited course delivered by the Parental Engagement Team

Volunteering in Your Child's School course

Support the parents at your school on their learning journey. Nominate them for the Open College Network accredited course to ensure they are fully prepared for their volunteer role.

Your parents will learn about:

- the curriculum and how children learn
- the latest teaching methods
- how to support children's learning
- how to keep children safe

Your school will get:

- A professional volunteer workforce
- Advice on volunteer placements
- Support developing a volunteer policy
- Support coordinating school volunteers
