

Dear Parents and carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Wednesday 8th February 2023.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we would love everyone in the school to take part in this special event.

Safe fundraising

Please send in a donation to support NSPCC’s work in a sealed envelope with your child and give this to their class teacher.

It all adds up

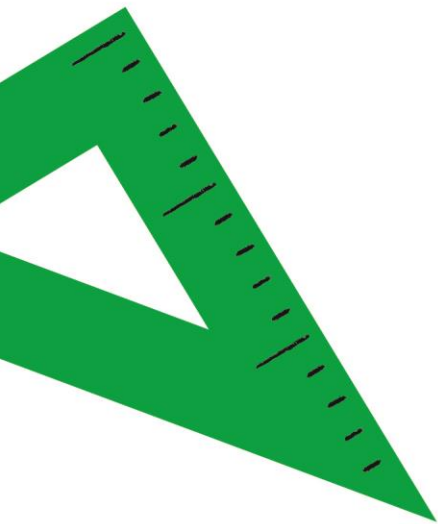

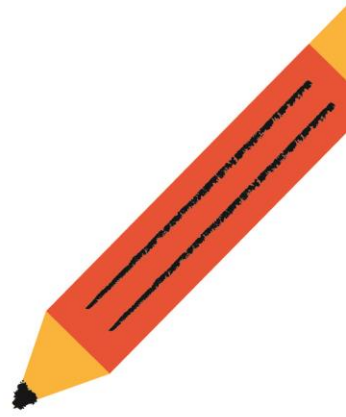

We are really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at St Edmund’s Catholic Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you!
